Directions from Whitchurch:

From the Whitchurch bypass, take A41 towards Chester into Grindley Brook. Take left turning B5395 signposted Malpas. Take first left by brown bus shelter signposted Higher Wych. Pass large Dairy Farm on right, go round a couple of bends then turn left down steep track (Green Man footpath sign). Go over bridge at bottom of track and immediately turn left. Wolvesacre Mill Cottage is the first dwelling on the left.

Short route passed Iscoyd:

After turning at the "Iscoyd Park and Higher Wych" sign from the A525, pass Iscoyd Park on right hand side, go past Guest Drive, Deliveries Drive and Park School Drive. Road bends to left, take right fork just before triangular patch of grass, continue past Wolvesacre Hall Farm on right hand side and pass cottage on left. Road dips, turn right before small bridge, Wolvesacre Mill Cottage on left.

Longer route from Iscoyd (use if road conditions are poor):

Turn right follow road round to High Wych, cross over bridge and take turning to the right (about $\frac{3}{4}$ mile). There is a sharp bend to the right, too sharp to turn into, so use the turning 50 yards further on the left, back down steep track (Green Man footpath sign), over bridge at the bottom, turn immediately left. Wolvesacre Mill cottage is on the left.
